Teaching Experience

AUG 07 - DEC 07	Teaching Assistant	B. S and B. A	U of A, Tucson
AUG 10 - OCT 10	Curriculum Development with BNS	M.Arch I	UCLA

Education

2003 - 2008	Bachelor of Architecture	Minor in Geography	U of A, Tucson
2007	Architecture	Study Abroad	D.I.S, Copenhagen
2008 - 2009	Masters of Architecture II	SupraStudio Neil Denari	UCLA

Skills

Architecture, art, engineering, and industrial design background with experience in various project scales, time lines, and budgets. Project based Revit model and standards management, with implementation at small and large scales. Coordination of architectural and consultant drawings: Structural, Civil, MEP, LV, Pool, and AV. Digital and non digital fabrication skills, including experience with experimental building materials, means, and methods. Wheel throwing and hand building ceramics, wood working, soldering, and metal fabrications. Supervision of an in-house fabrication team, and coordination with out-of-house fabricators. Exceptional creative problem solving skills, with the ability to find solutions in a high pressure fast paced environment. An exceptional eye for choosing well coordinated finish materials appropriate to both design intent and client expectation. Experience preparing permit and community design review board documents. The ability to quickly learn and adapt to unfamiliar software. Experience interacting with clients. Office education coordinator.

Software

Revit, Rhino, Grasshopper, Dynamo, AutoCAD, Adobe Suite, MS Office Suite, 3DS Max, Digital Project
